

Digestion! Natural breakdown of complex carbos etc.

Disgusting! Stinking ass-trombone!

Wonderful process!

Lowest of the low!

Loud and low. I relish the paradox!

I thank God every day I wasn't born vile male!

Poor thing! You're cheated out of life's spreme satisfactions.

Are you done?

In both debate and action.

Then why that weird little smile?

This insignificant thing?

SBD you utter bastard!

My quiet side. What you've desired.

Open all the windows! Pig!

Oink!
